Dear Parent,

During this week the activities to be completed will be posted via Seesaw / Google Classroom each morning. We have tried to provide activities which require minimum printing.

As we will once again be faced with remote learning we will be providing learning packs which can be collected this Friday between 10.00am and 3.00pm. Please collect learning packs from the dining hall, entrance via side gate at the back of the school.

This pack will contain activities for 2 weeks. If possible, please upload completed activities on a daily basis. Further packs will be provided every 2 weeks for as long as required.

We will be using Seesaw / Google Classroom to provide further support regarding the intended learning and to keep in touch on a daily basis.

Yours sincerely,

Mrs Sandra Millar
Principal
